

Scorpion Percussion — Master Dev Handoff (Final)

0. Global Rules

- Builder-first UX across site
- Shopify native architecture (minimize PageFly)
- Metaobjects are single source of truth (artists)
- No duplicate pages or systems
- All redirects must be 301

Phase 1 — Global Structure

Navigation

- Top nav: Build Your Own Sticks, Shop, Artists, Merch, Become Immortal, Content

Shop Dropdown

- Shop All Drumsticks, Immortal Series, Rehearsal Series, Signature Printing

Signature Printing Collection

- Create /collections/signature-printing
- Include only products where signature_printing = true (metafield)
- Do not mix tags and metafields

Artists Navigation

- Remove legacy artist pages
- Single /artists hub

Phase 2 — Homepage

- Hero: Become Immortal with Builder CTA
- 4-card grid: Builder, Shop, Signature Printing, Merch
- Sections order: Hero, Grid, Comparison, Artists, Best Sellers, Signature Printing, Reviews, Blog+IG, CTA, Email
- Instagram feed lazy loaded

Phase 3 — Drumsticks Page

- Selector: Builder (highlighted), Immortal, Rehearsal
- Include comparison, signature printing section, bulk pricing, limited product grid

Phase 4 — Builder

- Steps: Diameter, Length, Tip, Finish, Grip, Signature Printing
- Live preview and pricing
- Sticky add-to-cart
- Mobile-first, no reload UX

Phase 5 — Collections

- Filters: Diameter, Length, Tip, Finish, Grip, Signature Printing
- Single metafield system
- Mid-page CTA to builder

Phase 6 — Artist System

- Metaobject fields: Name, Image, Bio, Band, Genre, Location, Products, Social, artist_tier
- Tier values: Immortal Artist, Signature Artist
- Artists Hub sections: Immortal, Signature, Services
- Green Room is first elevated card
- Dynamic artist pages /artists/{handle}

Phase 7 — Merch

- Complete Your Setup section mid-page
- Cross-sell to drumsticks and builder

Phase 8 — Become Immortal

- Structured funnel page with mission-driven intro
- Sections: Hero, About, Philosophy, Steps, Value, Proof, Paths, Form, FAQ
- Redirect /pages/endorsement to /pages/become-immortal

Phase 9 — Blog

- Categories: Artist Features, Tours, Events, Product Drops, Scorpion News
- Every post includes product or builder CTA

Phase 10 — Green Room

- Keep /pages/the-green-room
- Do not rebuild
- Maintain exclusive tone

Phase 11 — Footer

- Shop: Drumsticks, Builder, Merch, Signature Printing
- Artists: Hub, Become Immortal
- Content: Blog, FAQ
- Policies: Shipping, Returns, Privacy, Terms

Phase 12 — Backend

- Remove PageFly duplication
- Standardize metafields
- Optimize images and apps
- Validate tracking (Meta, GA4, Ads)

Migration & Redirects

- /pages/brand-ambassadors → /artists
- /pages/signature-artists → /artists
- /pages/international-artists → /artists
- /pages/endorsement → /pages/become-immortal

Build Order

- Data layer → Templates → Pages → Migration → Redirects → QA

QA Checklist

- Navigation, filters, builder, artist pages
- Forms and tracking
- Mobile UX
- No duplicate pages
